

All gas treatments can't be the best. Which one is right for you?

When it comes to gas additives, there are lots of choices. Here's how they compare.

GAS & ETHANOL TREATMENTS		MIX-I-GO®	STAR TRON	SEA FOAM®	AMSOIL QUICKSHOT®	STP® GAS TREATMENT	STA-BIL 360® PERFORMANCE™
	Better mileage and power						
	Prevents ethanol damage & corrosion						
	Removes water without alcohol						
	Cleans injectors & removes deposits						
	Stabilizes fuel						
	Backed by over 100 years of experience						
	Low treat rate						
		1 oz per 10 gal	1 oz per 6 gal	2 oz per 1 gal	8 oz per 12 gal	12 oz per 28 gal	1 oz per 5 gal

 = Best Choice

 = Acceptable Choice

The choice is clear.

Mix-I-Go from Bell Performance does more - for less - than any of these other popular gas treatments. Mix-I-Go is the original and still the best - on the market since 1927.
